EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher H. Hunter on June 14, 2005.

The application has been amended as follows:

In claim 1, line 1, after "drain valve", insert, --for a closed fuel system, the solenoid drain valve--.

In claim 1, line 1, after "having", insert, --a fuel chamber,--.

In claim 1, line 6, after "open", insert, --to allow air into the system to facilitate draining of fuel from the system, --.

Cancel claim 22.

REASONS FOR ALLOWANCE

2. Claims 1-21 are allowed.

3. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is a solenoid drain valve having both fuel and air passages in combination with a drain in which the air and drain are both open and closed by a solenoid controlled piston in which the introduction of air facilitates the draining of the fuel.
